Date: October 29, 2002

Sir:

This election is filed in response to the Office Action dated October 1, 2002 (Paper No. 6). In the Office Action, the Examiner identified two distinct inventions. The Examiner required the Applicants, under 35 U.S.C. §121, to elect a single invention for prosecution. The two inventions identified by the Examiner are:

- I) Claims 1-4, drawn to a holding jig;
- II) Claims 5-14, drawn to a method for holding electronic parts.

Pursuant to the Examiner's requirement, the Applicants elect Group II, claims 5-14. It is understood that claims 1-4 will be withdrawn from prosecution. Applicants reserve the right to file divisional applications.

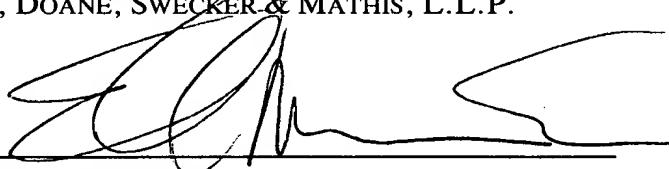

An earlier examination and favorable action on claims 5-14 are respectfully requested.
